

Hamad Rashid Al Mohannadi

Managing Director (CEO)

Mr Hamad Rashid Al Mohannadi joined RasGas Company Limited as Managing Director (CEO) on 29th April 2007. He has been a board member of Ras Laffan Liquefied Natural Gas Company Limited since 1993.

Prior to joining RasGas, from 1992 he was General Manager at Qatar Petrochemical Company (QAPCO) responsible for its growth and expansion. In addition to his role as QAPCO General Manager, from 2005 he assumed the responsibilities of General Manager of QATOFIN – a joint venture partnership.

Mr Al Mohannadi has a wealth of experience in the energy industry having spent over 25 years working in companies such as the National Oil Distribution Company, QAPCO and managing expansion projects for Qatar Vinyl Company, QAPCO Ethylene expansion project and Ras Laffan Olefin project.

Mr Al Mohannadi is an active board member of several high profile Qatari companies:

- Qatar Petroleum (QP)
- Ras Laffan Liquefied Natural Gas Co. Ltd (RasGas)
- Qatar Petrochemical Company Ltd (QAPCO)
- Qatar Vinyl Company (Q.V.C)
- Industries of Qatar (IQ)
- QATOFIN Project
- Ras Laffan Olefin Co.(RLOC)
- Qatar International Petroleum Company Ltd

He holds a Bachelor's degree in Applied Engineering Science (General Science) from Portland State University, USA.
